They try, they enjoy...!

### "Lovely little camping" (Hellfest)

*We really enjoyed our holiday at camping du Moulin. It's a small and green camping near the city center of Clisson. We rented the mobil-home "Maine". It is very comfortable and you'll find everything there that you could need. The staff is very friendly and helpful. We'll be back for sure!*

### "Excellent location"

*This is a very nice campsite and the location for dog owners is superb. From the campsite you can join a whole network of paths which traverse the hillside down to the river. Follow the river into town.*

*The staff at the site are very helpful, great english! The ablution block is newly refurbished and very clean. The pitches are all divided by flower beds and the whole place is very pretty.*

*It made a great stop on our journey south, don't be afraid to try it as it is a gem of a site.*

### "This a camp site"

*A well set out and clean campsite. There are supermarkets within a very short walking distance. The staff speak good English and are happy to help.*
